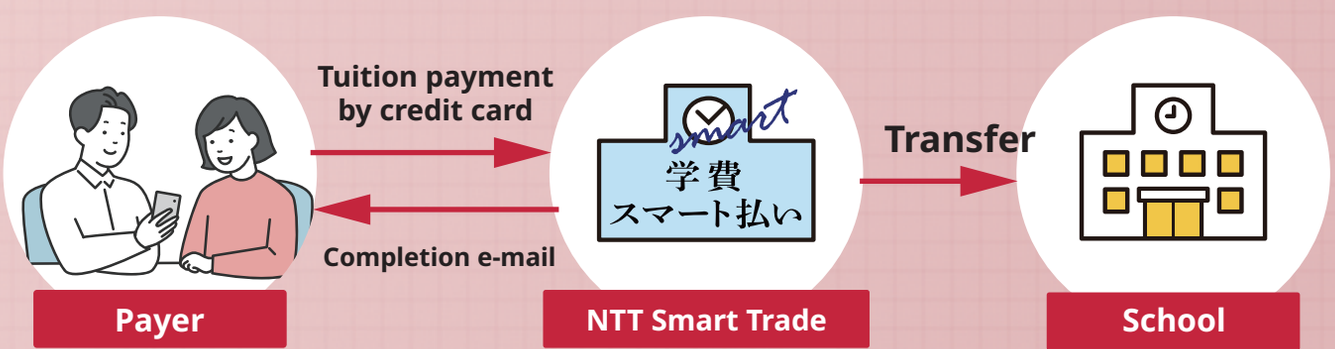
NTT Smart Trade Remittance Service

Tuition Smart Payment

Pay your tuition (tuition fees, admission fees, entrance exam fees, etc.*1) quickly and easily with a credit card issued in Japan or overseas.*2
You also earn points.

*1 See the back page for the fees that can be paid.
*2 American Express and UnionPay cards are currently not accepted.



Transfer fee	A fee of 2.9% of the payment amount is charged to the payer.	**Limits**	Per payment: up to JPY 1,000,000 Per day: up to JPY 3,000,000 Per month: up to JPY 3,000,000

Tuition Smart Payment: 3 Key Benefits

Convenient

Pay from anywhere

Even when you are busy or in a hurry, you can pay right away with a credit card and a computer or smartphone.

Secure

Pay tuition by credit card

Even when you have no cash on hand, you can pay your tuition by credit card.
Only the payer's name appears as the remitter's name.

Rewarding

Earn points

Depending on the amount of tuition you pay, you earn points on the credit card you use.

*The number of points earned depends on each credit card company's conditions for purchases (shopping limit).

Payable fees

- **Admission fee**

- **Tuition fee**

- **Entrance exam fee**

- **Facility maintenance fee**
- **Correspondence course schooling fee**
- **Donation**
- **Educational enhancement fee**
- **Student association & other fees**
- **Practical training fee (experiments)**
- **Insurance premiums**

How to Apply

From "Proceed to payment" on the "Tuition Smart Payment" page, go to the application page.

Application page

Apply from the "Application page."

Application procedure

① Prior approval / terms of use
② Register your e-mail address
③ Fill in the application form

Application complete

[For international students]

Credit cards issued in Japan, of course, and credit cards issued overseas are also accepted.
The fee is a flat rate (2.9% of the payment amount), so you can transfer the exact amount of your tuition.
